

Timber Harvest Notification

The purpose of the Timber Harvest Notification is to provide a state-wide timber harvest notification platform for the report of timber harvest to Georgia counties or municipalities.

Timber harvesters and local governing authorities can sign-up and participate using the link below.

[Timber Harvest Notifications | Georgia Forestry Commission \(gatrees.org\)](https://gatrees.org/timber-harvest-notifications-georgia)

The required information according to OCGA 12-6-24 will be collected by the website and automatically sent to the appropriate authorities.

Unified Gov. of
Georgetown-Quitman County
P O Box 114
Georgetown, GA 39854
Phone: 229-334-0903
Email: gqc_harvestnotice@gqc-ga.org
